

EXTERNAL WEBSITE POSTING

Name of Employer: Focal Point Data Risk, LLC
Position Title: Senior Consultant (Multiple Positions)
Job Location: 201 E. Kennedy Blvd, Suite 1750, Tampa, FL, 33602
Hours: Monday – Friday, 8:00 am to 5:00 pm

Job Summary:

Develop, implement, and support application systems to meet business, and technical needs, within a specified system or solution. Provide IAM technical and project leadership on client accounts. Provide IAM subject matter expertise with internal team members and external partners (i.e. Oracle). Provide planning, development, organization, monitoring and delivery of services and solutions to clients. Provide management valuations and designs of sound business solutions in a cost effective manner based on the most current IDM technology. Assume a proactive role to assist management with the identification, development and cultivation of profitable business opportunities. Maintain responsibility and accountability for the correctness, viability, and estimates for the architected solution including the business value proposition. Develop business and/or technology related papers and articles. Present at major industry conferences. Establish and maintain productive working relationships with all Focal Point employees.

Reports to company headquarters in Tampa, Florida. Roving employee—will work at various unknown client sites throughout the U.S. for up to 100% of the time. Must be willing to travel anywhere in the US and may be assigned to work at client sites across the U.S.

Required Minimum Position Qualifications:

Bachelor's degree in Engineering, Computer Science, IT or a related field of study and five (5) years of experience in the job offered or related occupation. In lieu of a Bachelor's degree in Engineering, Computer Science, IT or a related field of study and five (5) years of experience in the job offered or related occupation, employer will also accept a Master's degree in Engineering, Computer Science, IT or a related field of study two (2) years of experience in the job offered or related occupation. Must also have demonstrated experience with the following: Oracle Identity Manager; Java; WebLogic; and SQL Developer.

To apply, mail resume to Focal Point Data Risk, LLC HR, 201 E. Kennedy Blvd, Suite 1750, Tampa, FL, 33602.
